

AUTOMATIC SOLUTIONS

Predator WiFi WiFi / 3G Video Intercom

Long range antenna
(150-200m working range)!

- Simple setup by mobile phone. Connect to the intercom directly through your phone's wifi, enter the pass code for the home hub wifi and the device is connected.
- View the gate/door and open any time with monitoring mode.
- Still works locally on wifi network even if broadband goes down.
- Can work with most market standard outdoor wifi repeaters for extended range.
