Relax, you're with **VIDEOMAN**

BIDP-500

Audio Security Intercom Kit

This classic product is designed for the modern age. Easy to install and yet robust and reliable for the harsh out door conditions. Innovative design means that the entrance panel can either be Surface Mounted or Recess Mounted. The choice is yours.

BIDP-500 also offers another fantastic feature like VS-050 Relay, which enable you to add more than 1 entrance panel.

FEATURES:

- Door Open function
- Internal Intercommunication
- Clear & Crisp Audio
- Multiple Door stations
- 14V DC Operation

Recess Mount

Surface Mount
